**Course Etiquette** The organizer is responsible for the group's standard of etiquette on both the Golf Course and within the Clubhouse. Failure to adhere to this may result in the individuals being asked to leave the course and the club. Whilst in the club and on the course, no swearing, loud or rowdy behaviour please.

**Dress Code** During the summer months if shorts are worn, they must be tailored. No jeans, trainers, tracksuits, or collarless/football/sports shirts. The dress code for the clubhouse is open and all we ask is our members and their guests to dress appropriately for the occasion. We regret that visitors to Shendish Manor will not be allowed on the Course unless they are suitably attired. Golf shoes must have Soft Spikes (winter exceptions apply). Golfers must not share golf bags. Mobile phones must be on silent mode. Occasionally during the winter, we implement a trolley ban. Please ensure that all players are aware of the etiquette of the game, e.g. pace of play—repairing pitch marks—replacing divots—dress code etc. At all times we would ask you to respect this policy. Management reserves the right to refuse admission to the Clubhouse or Course.

**Buggies** Buggies are to be paid for on arrival at the Club in the Club House. In the event of damages, the hirer will be liable for repair. Please note these are available in the warmer months.

**Course Closure** The Course may be closed at short notice due to bad weather conditions and at the discretion of the Hotel Manager and Head GreenKeeper. Shendish Manor will advise the Organizer as soon as possible, on the rare occasion that this may occur, the Organizer will be offered alternative dates. In the event of bad weather, prebooked buggies/trolleys may be cancelled.

**Liability** Shendish Manor cannot accept responsibility or liability for loss or damage to personal belongings. Customers who wish to leave belongings on the premises do so at their own risk. It is the responsibility of the visitor to ensure that they have adequate cover to compensate for loss or damage to property in any other circumstances.

**Course** Be on your starting tee 10 minutes before your tee time. Please be aware we allow 8 minutes per hole, if you lose one hole from the group in front, you must allow the group behind you to play through, but preferably try to keep pace with the game in front. At all times we would ask you to respect this policy. Management reserve the right to refuse admission to the Clubhouse or Course. We would like to thank you in advance for your co-operation.

## **Society Competitions**

Competitions are an excellent way to get more mileage and fun out of your tournament.

After all, everyone loves to win, and special event contests give everyone more opportunities to win.

A beginner can win some of these contests, such as Closest to the Pin, as easily as by an expert player.

Be aware, the more contests staged on the course during the round, the longer the round will take to play.

There are many different competitions to choose from, here are just a couple of examples:

### **Longest Drive**

A prize is awarded for the longest drive onto the fairway. This is normally played on the courses longest par-5 hole, hole 8.

### **Nearest the Pin**

A prize is awarded for the shot that comes to rest closest to the pin. Normally, this is played at the courses shortest par-3 hole, hole 4.
